#### WINEMAKING PHILOSOPHY

The historical production technique is used, blending batches from areas with different microclimates.

Alcoholic fermentation is traditional, at a temperature of 28-30°C, and lasts about 20 days.

Malolactic fermentation is followed by a period of ageing in large oak barrels, where the wine spends up to one year.

#### TASTING NOTES

**Colour:** ruby red shading to garnet.

**Bouquet:** very intense and really complex, with scents of ripe plum and black cherry. Exhibiting powder coffee and tobacco notes as well.

**Palate:** rich, generous and subtly zesty. Persistent with sweet and well-integrated tannins. The finish and aftertaste show notes of vanilla and cherry.

#### STATISTICAL INFORMATION

**Grape variety:** Nebbiolo

**Alcohol:** 14.0 % vol.

**Appellation:** Barbaresco DOCG

**Ageing:** Up to 1 year in large oak barrels

Underbrush, toasted hazelnut and eucalyptus aromas waft out of the glass. Austere and tightly wound, the firm palate offers cherry marinated in spirits, licorice and rosemary framed in rather astringent, drying tannins.

*Lustrous mid ruby. A lifted, fresh and concentrated red-berry nose with a hint of orange peel and oatmeal, although this has only seen large casks. Supple palate of sour cherry and raspberry with plenty of acidity and grainy tannins on the finish. Just a tiny bit tart, but this begs for food. A solid offering from this coop and above average.*

*Ripe red berries, nuts and mushrooms on the nose. Medium-bodied with fine, lightly firm tannin and a spicy-fruit finish. Decent focus here.*
