

VITE COLTE®

CANTINE IN BAROLO

La Luna e i Falò

Barbera d'Asti Superiore DOCG

WINEMAKING PHILOSOPHY

Over 60 hectares of vineyards, carefully selected by our technicians and managed to obtain low yields, participate in the "Superbarbera" project. The blending of grapes from vineyards with slightly different soils and microclimates enables us to obtain a better wine with the best balance between structure and aroma. Vinification is traditional, with 10 days' maceration at a temperature of 20-30 °C, followed by malolactic fermentation. The wine spends 12 months ageing in barriques, during which this well-structured Barbera further enhances its extractive qualities and evolves into a complex and elegant wine.

TASTING NOTES

Colour: deep ruby red.

Bouquet: rich and deep, with a complex balance of violet, liquorice and vanilla notes.

Palate: crisp and dry, with a subtle background of vanilla and wild berries, which carries through to its lingering finish.

STATISTICAL INFORMATION

Grape variety: Barbera

Alcohol: 14.50 % vol.

Appellation: Barbera d'Asti Superiore DOCG

Aging: 12 months in French oak barrel

JAMES BUTTON

92 (08-2023)

This barrique-aged Barbera is sourced from a mix of different soils and microclimates across the estate's 60ha planted to the variety, creating what Vite Colte describes as a 'superBarbera'. Subtle aromas of crushed rock and ripe black and red berries introduce a spicy, concentrated palate with a creamy background overlaid by poised, balsam-infused black and red fruits. There's some earthy depth here, too, and a well sculpted feel which is more vertical than horizontal, with - crucially - freshness to balance the concentration. Delicious.
