

VITE COLTE®

CANTINE IN BAROLO

Paesi Tuoi

Barolo DOCG

WINEMAKING PHILOSOPHY

Barolo "Paesi Tuoi" is made with the blending technique, which was typical as early as the beginning of the last century. This is the preferred technique of our estate, which concentrates on making elegant and well-balanced wines.

Temperature-controlled fermentation at 30°C lasts 15-20 days, to enrich the wine with the tannin necessary for long ageing.

It is then transferred into large oak barrels where it spends up to two years, followed by another period in the bottle, to achieve the final balance.

TASTING NOTES

Colour: ruby red shading to garnet.

Bouquet: Rich and generous, with complex scents of spices, licorice, coffee and dried roses.

Palate: dry, well balanced and full-bodied with well-integrated tannins. Exhibiting a note of plum.

STATISTICAL INFORMATION

Grape variety: Nebbiolo

Alcohol: 14.0 % vol.

Appellation: Barolo DOCG

Aging: Up to 24 months in large oak barrels.

92

An intriguing nose of sweet violets, red currants, strawberries and licorice root. Medium-bodied, this shines on the palate with fresh acidity and dusty tannins steeped in blood oranges. Chewy but balanced.
